## New & Improved

### NEW ANIMALS at the FARM

In addition to new lambs, goats & chickens born at the farm this spring, we also added 3 Dexter Cows & 3 Kune Kune Pigs to our farm family.

### IMPROVEMENTS to the FARM:

At our historic farm, maintenance & improvements are always necessary - here are some projects accomplished in 2022:

- Built 3 new animal shelters & repaired 3 existing shelters
- Improved the pond area
- Built a new kiosk at the General Store
- Installed new fencing around the playground
- Enhanced educational programs including Tours, Camps & Watch-Me-Grow
- Improved interactive educational activities around the farm
- Enclosed the refuse area
